To the shareholders of Guinness Anchor Berhad

Dear Sir/Madam,

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

The Company had at its 50th AGM held on 28 November 2014, obtained a mandate from its shareholders for the Group to enter into recurrent related party transactions of a revenue or trading nature, which are necessary for the day-to-day operations in the ordinary course of business of the Group. The said mandate for recurrent related party transactions will, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 51st AGM scheduled for 25 November 2015 unless authority for its renewal is obtained from the shareholders of the Company at the said AGM.

In connection thereto, on 20 October 2015, the Company announced to Bursa Securities that it proposes to seek shareholders' approval for the Proposed Shareholders' Mandate at the forthcoming 51st AGM to be held on 25 November 2015.

The purpose of this Circular is to provide you with information on the Proposed Shareholders' Mandate and to seek your approval for the resolution relating to the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM or any adjournment thereof. The Notice of AGM detailing the relevant resolution for the Proposed Shareholders' Mandate is contained in the Annual Report 2015 of the Company.

SHAREHOLDERS OF GAB ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS CIRCULAR BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED SHAREHOLDERS' MANDATE.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Provisions under the Listing Requirements

Pursuant to Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from its shareholders to enter into recurrent related party transactions which are necessary for the day-to-day operations of the listed issuer and its subsidiaries, subject to the following:

- i) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- iii) in a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder or interested Person Connected with a Director or Major Shareholder and where it involves the interest of an interested Person Connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must ensure that Persons Connected with him/her abstain from voting on the resolution approving the transactions; and
- iv) immediately announce to Bursa Securities when the actual value of a recurrent related party transaction entered into by the Company, exceeds the estimated value of the recurrent related party transactions disclosed in the circular to shareholders by 10% or more.

It is anticipated that companies within the Group would, in the ordinary course of business, enter into Recurrent Related Party Transactions which are detailed in Section 2.3 of this Circular and that such transactions will continue to occur with some degree of frequency and may arise at any point in time.

In view of the forthcoming expiry of the shareholders' mandate, and the time-sensitivity, confidential and the frequent nature of such Recurrent Related Party Transactions, the Board is seeking shareholders' approval for the Proposed Shareholders' Mandate at the forthcoming 51st AGM of the Company for the Group to enter into the Recurrent Related Party Transactions as set out in Section 2.3 below. Such transactions are to be entered into at arm's length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and which will not be detrimental to the minority shareholders of the Company. Such Recurrent Related Party Transactions will be subject to the review procedures as set out in Section 2.4 below.

The Proposed Shareholders' Mandate will take effect from the passing of the ordinary resolution proposed at the forthcoming AGM and shall continue to be in force (unless revoked or varied by the Company in general meeting) until the conclusion of the next AGM of the Company. Thereafter, approval from the shareholders for subsequent renewals will be sought at each subsequent AGM of the Company.

The Company has disclosed the aggregate value of the Recurrent Related Party Transactions conducted pursuant to the Proposed Shareholders' Mandate during the financial year ended 30 June 2015 in its Annual Report. Similar disclosure will be made in the Company's Annual Report for the next financial year 2016 for the Recurrent Related Party Transactions conducted pursuant to the Proposed Shareholders' Mandate.

2.2 Related Parties

The Proposed Shareholders' Mandate will apply to Recurrent Related Party Transactions with the following Related Parties (with their principal activities and relationship with the Company detailed below):

Name of Related Parties	Principal Activities	Relationship
GAPL	Investment holding and distribution of stout in Singapore	Major Shareholder of the Company
Diageo Group	Worldwide consumer goods company with businesses in brewing and marketing of Guinness Foreign Extra Stout and other brands of beer, spirits and wines	Diageo was deemed a Major Shareholder of the Company by virtue of its indirect shareholding in GAPL. On 7 October 2015, Diageo sold its entire interests in GAPL to Heineken and accordingly ceased to be a related party to GAB Group.
Heineken Group	Production and distribution of beer and stout worldwide	Heineken is deemed a Major Shareholder of the Company by virtue of its indirect shareholding in GAPL

The direct and indirect interests of interested Directors and/or Major Shareholders in the Company as at 9 October 2015 are shown in Section 6 below.

2.3 Nature of Recurrent Related Party Transactions

The Group and the Company are principally engaged in the production, packaging, marketing and distribution of beverages, primarily alcoholic.

It is envisaged that in the ordinary course of business of the Group, transactions of a revenue or trading nature between the Group and the Related Parties are likely to occur with some degree of frequency which are necessary for our day-to-day operations.

All estimated values of the respective Recurrent Related Party Transactions from the date of the forthcoming AGM to the next AGM are estimated based on the past transactions entered into by the Group and the Related Parties as well as estimates made based on management's projected sales / businesses, orders and agreements. The actual value of these transactions may vary from the estimated value disclosed below.

Details of recurrent related party transactions carried out / contemplated shall include, but not be limited to, the following:

Parties	Nature of Transactions	Estimated aggregate value as disclosed in the Circular to Shareholders dated 6 November 2014 (RM'000)	Actual value transacted since last AGM till 9 October 2015 (RM'000)	Estimated aggregate value from 51st AGM to the next AGM (RM'000)
Diageo Group	1. Purchase of manufacturing and marketing materials from Diageo Group	20,000	10,935	15,000 (Note 1)
	2. Purchase of beverage products from Diageo Group	5,000	542	4,500 (Note 1)
	3. Royalties paid/payable to Diageo Group for licence to brew Guinness Foreign Extra Stout, Guinness Draught, Kilkenny, Malta and Anglia Shandy	20,000	11,251	15,000 (Note 1)
	4. Sale of beverage products to Diageo Group	20,000	22,868 (Note 2)	24,750 (Note 1)
Heineken Group	1. Purchase of manufacturing and marketing materials from Heineken Group	20,100	13,474	30,000
	2. Purchase of beverage products from Heineken Group	6,000	2,407	6,000

	6. Fees received/receivable from Heineken Group for marketing and advertising services	25,500	6,911	27,000
	7. Fees payable to Heineken Group for professional services which include procurement services, advisory support services and other support services (Note 3)	-	-	3,000

Notes:

- Diageo was deemed a Major Shareholder of the Company by virtue of its indirect shareholding in GAPL. On 7 October 2015, Diageo sold its entire interests in GAPL to Heineken and accordingly ceased to be a related party to GAB Group. Pursuant to the Listing Requirements, a related party shall include any person who is or was, within the preceding 6 months of the date on which the terms of the transaction were agreed upon, a party related to the company or any other corporation which is the subsidiary or holding company of such related party. The estimated aggregate value stated herein is for transactions to be entered into by the Group with the Diageo Group up to 7 April 2016.
- The reported transaction amount has exceeded the estimated aggregate value by 14%. This is due to the change of invoicing party from a non-related party to a party related to Diageo Group for certain sales transactions since September 2014. In the past, GAB invoiced the distributor who is a non-related party nominated by Diageo Group for certain transactions involving the sale of beverage products. With the change of invoicing party, GAB now invoices Diageo Ireland directly for the same transactions. The aggregated actual value of all the transactions involving the interests of Diageo Group did not exceed the aggregated estimated value as approved under the previous shareholders' mandate.
- GAB is in the midst of negotiation of the regional procurement services with the Heineken Group. The estimated value of the transactions is based on management's estimate of the value to be transacted during the validity period of the Proposed Shareholders' Mandate. Their actual value of this transaction may vary.

Save for the item reported under Note 2, none of the actual value of other recurrent related party transactions as disclosed above has exceeded the estimated value by 10% or more.

As of the financial year ended 30 June 2015, there is no amount due and owing to the Company by its related parties arising from the Recurrent Related Party Transactions that exceeded the credit term.

2.4 Guidelines and Review Procedures for Recurrent Related Party Transactions

To ensure that such Recurrent Related Party Transactions are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to the Company's shareholders, the following principles will apply:

- i) transactions with the Related Parties will only be entered into after taking into account the pricing, level of service, quality of product, market forces and other related factors on terms not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders of the Company;
- ii) transactions with Related Parties will only be entered into under similar commercial terms for transactions with unrelated third parties, which depend on the demand and supply of the products and subject to the availability of the products in the domestic market.
- iii) should a cost plus basis of pricing be used, the appropriate mark-up to cost shall be determined on an arm's length price based on a percentage earned by the Company on unrelated party transactions which are the same or very similar to the related party transactions;
- iv) at least two (2) other contemporaneous transactions with unrelated third parties for similar products / services and / or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to / by the Related Parties are fair and reasonable and comparable to those offered to / by other unrelated third parties for the same or substantially similar type of products / services and /or quantities. For certain products / services of which quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third party vendors / customers of similar products or services, or if the product / service is a proprietary item), the transaction price will be determined by the Group based on those offered by / to other related parties for the same or substantially similar type of transaction to ensure that the price and terms of the Recurrent Related Party Transaction are fair and reasonable to the Group; and
- v) there is no specific threshold for approval of Recurrent Related Party Transactions within the Group. However, all recurrent related party transactions are subject to the approval by the Audit Committee from time to time.

The Group has established the following procedures to ensure that the transactions with Related Parties are undertaken on arm's length basis and on normal commercial terms, and on transaction prices and terms not more favourable to the Related Parties than those generally available to the public:

- i) a list of Related Parties will be circulated within the organisation to notify that all transactions with Related Parties are required to be undertaken on an arm's length basis and independent of undue influence from Related Parties and on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public;
- ii) all transactions with Related Parties, regardless of the transaction value, will be reviewed by the sub-committee which is appointed and authorised by the Audit Committee of the Company;
- iii) a register will be maintained by the Group to record all transactions with Related Parties which are entered into pursuant to the Proposed Shareholders' Mandate;
- iv) the internal audit will conduct periodic reviews of all identified and reported transactions with Related Parties to determine whether internal guidelines and procedures have been complied with. The internal audit will also conduct an annual review of the system of controls to ensure that all Recurrent Related Party Transactions are identified and reported; and
- v) the Board and the Audit Committee will review the internal audit reports and/or any other reports required from time to time to determine whether established guidelines and procedures have been adhered to and if there is a need for further review or to improve the procedures.

Where any Director or any Person Connected with him/her has an interest (direct or indirect) in any Recurrent Related Party Transaction, such Director shall abstain from deliberation and voting on any decision to be taken by the Board in respect of such Recurrent Related Party Transaction, if any. Where any member of the Audit Committee is interested in any Recurrent Related Party Transaction, that member shall abstain from deliberation and voting on any decision to be taken by the Audit Committee with respect to such transaction.

Pursuant to Paragraph 10.09 of the Listing Requirements, in a meeting to obtain the Proposed Shareholders' Mandate, the interested Director, interested Major Shareholder or interested Person Connected with a Director or Major Shareholder; and where it involves the interest of an interested Person Connected with a Director or Major Shareholder, such Director or Major Shareholder must not vote on the resolution approving the transactions.

An interested Director or interested Major Shareholder must also ensure that Persons Connected with him/her abstain from voting on the resolution approving the transactions. Interested Directors shall also abstain from deliberating at Board meetings in respect of the Recurrent Related Party Transactions in which they are interested.

Disclosure will be made in the Company's Annual Report detailing the aggregate value of transactions conducted pursuant to the Proposed Shareholders' Mandate during the financial year. Disclosure will also be made in the Annual Reports for subsequent financial years during which the shareholders' mandate remains in force.

The Proposed Shareholders' Mandate, if approved at the forthcoming 51st AGM, will continue to be in force until the next AGM of the Company. Thereafter, shareholders' approval will be sought for the renewal of such mandate at each subsequent AGM subject to a satisfactory review by the Audit Committee of its continued application to Recurrent Related Party Transactions.

2.5 Statement by Audit Committee

The Audit Committee has the overall responsibility of determining whether the procedures and processes for monitoring, tracking and reviewing Recurrent Related Party Transactions are adequate and appropriate. The Audit Committee also has the authority to delegate this responsibility to such individuals within the Company as it shall deem fit. The Audit Committee shall review and ascertain whether the guidelines and procedures established to monitor Recurrent Related Party Transactions have been complied with.

The Audit Committee has the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such a request to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

The Audit Committee of the Company has reviewed the terms of the Proposed Shareholders' Mandate and is satisfied that the review procedures for Recurrent Related Party Transactions, as well as the annual review by the Audit Committee in relation thereto, are sufficient to ensure that Recurrent Related Party Transactions will be made at arm's length basis and on normal commercial terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of the Company, and hence, will not be prejudicial to the shareholders or disadvantageous to the Group.

The Group has in place adequate procedures and processes for monitoring, tracking and identifying Recurrent Related Party Transactions in a timely and orderly manner, and such procedures and processes are reviewed on an annual basis or whenever the need arises.

2.6 Validity period

The authority to be conferred pursuant to the Proposed Shareholders' Mandate, if approved at the forthcoming AGM, will continue to be in force until:

- i) the conclusion of the next AGM of the Company following the forthcoming AGM at which the Proposed Shareholders' Mandate is approved, at which time it will lapse unless the authority is renewed by a resolution passed at a general meeting of the Company; or
- ii) the expiration of the period within which the next AGM of the Company after the forthcoming AGM is required to be held pursuant to Section 143(1) of the Companies Act, 1965 (but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Companies Act, 1965); or
- iii) revoked or varied by resolution passed by the shareholders in a general meeting, whichever is the earlier.

Thereafter, approval from the shareholders for subsequent renewals of the mandate will be sought at each subsequent AGM of the Company subject to a satisfactory review by the Audit Committee of its continued application to Recurrent Related Party Transactions.

3. RATIONALE AND BENEFITS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Recurrent Related Party Transactions entered or to be entered into by the Group are all in the ordinary course of business. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and may arise at any point in time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-by-case basis before entering into such Recurrent Related Party Transactions. As such, the Board is seeking a shareholders' mandate pursuant to Chapter 10, Paragraph 10.09 of the Listing Requirements to allow the Group to enter into Recurrent Related Party Transactions described in Section 2.3 above.

The Recurrent Related Party Transaction, as outlined in Section 2.3 above, are made on arm's length basis and on normal commercial terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of the Company and which are not prejudicial to the interest of the shareholders.

By obtaining the Proposed Shareholders' Mandate, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such Recurrent Related Party Transactions occur would be eliminated. This would substantially reduce administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The Recurrent Related Party Transactions are intended to meet the business requirements of the Group at the best possible terms as well as to explore beneficial business opportunities. These transactions allow the Group to be more competitive in the beer and stout industry through synergies derived from the concentration by each party on its respective strengths, specialities and competencies.

4. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any impact on the share capital and Major Shareholders' shareholdings of the Company and will not have any significant impact on the net assets and earnings of the Group.

5. APPROVAL REQUIRED

The Proposed Shareholders' Mandate is subject to the approval of the Company's shareholders to be obtained at the forthcoming 51st AGM to be convened.

6. DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS

Interested Directors

Hans Essaadi, Kenneth Choo Tay Sian, Yong Weng Hong and Frans Erik Eusman are deemed interested in the Proposed Shareholders' Mandate as they are the Board representatives of GAPL, a Major Shareholder of the Company as of 9 October 2015. They have abstained and will continue to abstain from all deliberations on the Proposed Shareholders' Mandate at all Board meetings. Accordingly, the Directors (save for Hans Essaadi, Kenneth Choo Tay Sian, Yong Weng Hong and Frans Erik Eusman) recommend that shareholders vote in favour of the ordinary resolution in respect of the Proposed Shareholders' Mandate to be tabled at the forthcoming 51st AGM of the Company.

8. AGM
