This growth was primarily driven by higher sales during the year-end festive season where Chinese New Year ("CNY") 2025 is nearer to year-end than CNY 2024, complemented by steady sales growth and effective revenue management initiatives implemented during the quarter.

Group profit before tax ("PBT") also registered a notable increase of 32%, reflecting the positive revenue trend mentioned above, further supported by effective cost and value management.

#### 16. Review of Performance (Continued)

Comparing year-on-year, Group revenue increased by 6%. The increase was driven by effective commercial execution along with a longer festive selling period in 2024, coupled with effective revenue management throughout the year, and a strong ending of the year supported by higher sales ahead of an early CNY in 2025.

Group PBT recorded a 14% year-on-year increase, benefited from the revenue increase and effective cost management.

Quarter ended 31 December 2024 versus quarter ended 30 September 2024

	3 months ended	3 months ended	%
	31 December 2024	30 September 2024	Change

Revenue	823,135	618,994	33%
Profit before tax	174,203	128,825	35%

Group revenue expanded by 33% compared to the preceding quarter, mainly attributed to higher sales driven by festive seasons and early CNY sell-in during the quarter.

In tandem with the revenue growth, Group PBT grew 35%.

#### 17. Prospects

The Group delivered a positive overall performance, driven by strong sales at the end of 2024, supported by an early CNY in 2025.

Recent macroeconomic developments are encouraging and indicate signs of stability, fostering the Group's optimism for further improvement in consumer confidence. However, the Group remains cautious in its outlook, recognizing the economic volatility and a challenging consumer environment.

As we embark on 2025, the Group aims to sustain its growth momentum by sharpening commercial execution whilst remaining agile and responsive in an increasingly dynamic business environment. The Group will continue to focus on delivering the EverGreen strategy to future-proof its business. Additionally, the Group remains committed to driving efficiency through cost optimization across the organisation.

The Group appreciates the Government's decision not to increase excise duties on beer in its Budget 2025, as higher rates will drive greater demand for illicit alcohol. The Group commends the authorities for their enforcement efforts against illicit beer and will continue to collaborate with the Government on the Multi-Agency Task Force to combat illicit trade.
